**The Hiding Place**

Journalist Walls grew up with parents whose ideals and stubborn nonconformity were their curse and their salvation. Rex and Rose Mary and their four children lived like nomads, moving among Southwest desert towns, camping in the mountains. Rex was a charismatic, brilliant man who, when sober, captured his children's imagination, teaching them how to embrace life fearlessly. Rose Mary painted and wrote and couldn't stand the responsibility of providing for her family. When the money ran out, the Walls retreated to the dismal West Virginia mining town Rex had tried to escape. As the dysfunction escalated, the children had to fend for themselves, supporting one another as they found the resources and will to leave home. Yet Walls describes her parents with deep affection in this tale of unconditional love in a family that, despite its profound flaws, gave her the fiery determination to carve out a successful life. -- From publisher description.

**A Long Walk to Water**
The fictional memoir of the fifteenth-century French heroine by the author of A Connecticut Yankee in King Arthur’s Court. Mark Twain’s final novel—and, by his own account, his best—is a fictional record of the life of Joan of Arc, as recorded by her loyal page and secretary, the Sieur Louis de Conte. In it, the celebrated satirist shows his great admiration for the Maid of Orléans. Beginning with her humble childhood in the French village of Domrémy, de Conte recounts Joan’s visions of Archangels and her divine quest to take control of the French army and liberate her country from the English at the age of seventeen. From her remarkable defeat of the English at Orléans to her Bloodless March to Rheims and the coronation of King Charles VII, the story progresses to Joan’s tragic defeat and imprisonment, the high drama of her trial, and her execution at the hands of the English.

During World War II a community called Manzanar was hastily created in the high mountain desert country of California, east of the Sierras. Its purpose was to house thousands of Japanese American internees. One of the first families to arrive was the Wakatsukis, who were ordered to leave their fishing business in Long Beach and take with them only the belongings they could carry. For Jeanne Wakatsuki, a seven-year-old child, Manzanar became a way of life in which she struggled and adapted, observed and grew. For her father it was essentially the end of his life. At age thirty-seven, Jeanne Wakatsuki Houston recalls life at Manzanar through the eyes of the child she was. She tells of her fear, confusion, and bewilderment as well as the dignity and great resourcefulness of people in oppressive and demeaning circumstances. Written with her husband, Jeanne delivers a powerful
first-person account that reveals her search for the meaning of Manzanar. Farewell to Manzanar has become a staple of curriculum in schools and on campuses across the country. Last year the San Francisco Chronicle named it one of the twentieth century’s 100 best nonfiction books from west of the Rockies. First published in 1973, this new edition of the classic memoir of a devastating Japanese American experience includes an inspiring afterword by the authors.

A New Study Guide to Steinbeck's Major Works, with Critical Explications

Hailed by reviewers and readers for its originality, vitality, and truth, this novel secured Willa Cather a place in the first rank of American writers. Cather called My Ántonia "the best thing I've done." For Oliver Wendell Holmes, My Ántonia had "unfailing charm, perhaps not to be defined; a beautiful tenderness, a vivifying imagination that transforms but does not distort or exaggerate." H. L. Mencken declared it "one of the best [novels] any American has ever done." Cather drew deeply on her childhood days in frontier Nebraska for this, her fourth novel, published in 1918. Old immigrant neighbors inspired many of the characters, particularly the heroine. Ántonia Shimerda is memorable as the warmhearted daughter of Bohemians who must adapt to a hard life on the desolate prairie. She survives and matures, a pioneer woman made radiant by spirit. W. T. Benda's

illustrations further illuminate the fiction of a writer who drew so extensively on actual experience.
